SELF SUSTAINABILITY

An ongoing and urgent program, entailing and incorporating a showroom, marketing and exporting of products produced by the people skilled at the centre. Exhibitions, Fund Raising Events, a Farmers Market, a Bakery, delivery of fresh products to Industrial Areas, production of Corporate Gifts, trophies, awards and incorporating the repair and restorations of items from antiques, jewellery, clothing, etc. Small businesses will be started and run through the centre creating permanent jobs for the community etc.

PROFILE

Nina Venjakob returned to South Africa from Venezuela and the Caribbean in 1987 with a burning desire to make a difference in the economically suppressed environment that she found. Nina discovered an extensive home industry within South Africa that had no business or distribution skills. Through her initiative various sales channels were identified and developed. Through the funding and development of skills the need for a formalised structure was identified and Out of the Box was established.

CORPORATE SOCIAL INVESTMENT/BEE AND ED

Out of the Box needs YOUR expertise and assistance. In return, we will make your BEE and ED scorecard look impressive, we will give you more positive exposure than money can buy elsewhere, we will take care of your Corporate Social Investment headaches and you will be giving South Africans a future. On top of that, your donation is tax deductible.

We make your BEE and ED scorecard look Great!
